ABOUT THE SPACE

Spacious and flexible, our Kings Suite accommodates up to 800 guests, with 900 square metres of space able to be subdivided into two to suit your requirements – think break-out sessions in one section and discussions in another!

The Kings Suite also features its own dedicated foyer area that is ideal for drinks receptions, while there is also a connectivity option to the adjacent Palace Suite via a back of house area, ensuring the smooth flow of delegates into a further space for exhibitions.

The flexibility doesn't end there; syndicate Suites nearby can be used as ideal VIP areas, while there is also direct vehicle access from the road outside and electrical trough supplies around the room for flexible productions. Cloakroom and washroom facilities are also available, while the Suite is also fully licensed until 2.00am.
