ABOUT THE SPACE

Introducing the Gild, our inviting Lobby Bar & Lounge, which is inspired by the passion for craft within our home City. Craft runs through both our food and drink offering; from carefully curated food dishes and artisan coffees to specially selected craft beers, cocktails and wines. We welcome you all day, every day; whether it's a coffee break, breakfast meeting, long lunch or a couple of wind-down drinks. So, what are you waiting for? Grab a seat and stay a while.
